FIVE CENTS

TERMINATES LOCAL CANCER DRIVE — A total of \$1,685.32 was collected in the cancer fund drive, which ended recently in Salem.

Shown in the photo above are (l. to r.): Probate Judge Louis Tobin, county chairman of the drive; and Mrs. Mary McCullough, president of the Columbian County unit; who are pictured receiving the check from Atty. Guy Mauro and Earl Ware, local chairmen.

E. Liverpool Gamblers Fined

1 Given Jail Sentence;
3 Get Suspended Terms

LISBON — Three East Liverpool men indicted on gambling charges changed their pleas to guilty before Judge Joel H. Sharp Tuesday and were given fines totaling \$1,500.

One of the gamblers, all of whom had pleaded innocent earlier at arraignment, was given a 60-day jail sentence and the other two were given 30-day suspended sentences.

Fined \$500 and given the 60-day sentence was James Anas. John D'Angelo and Fred McCormick were each fined \$500 and given suspended 30-day jail sentences. Anas also was indicted on gambling charges by the 1945 grand jury.

Luke J. Phillips, who pleaded guilty at arraignment, also was fined \$500 and given a suspended 30-day jail sentence.

George Rigas, the other East Liverpool man indicted by the grand jury on gambling charges, was scheduled to appear later.

Anas, D'Angelo and McCormick were reported as leseholders of the Academy Club. Rigas was connected with the American Club; and Phillips was associated with the Valley Club.

\$1,685 Is Collected In Cancer Fund Drive

A total of \$1,685.32 was collected in the annual cancer fund drive conducted through April, although donations are still coming in, Atty. Guy Mauro, chairman, said today.

Over half of the funds collected \$872.84, were donated by persons in industry, clubs, businesses and unions contacted by letter.

A breakdown of the remaining \$812.48 includes: tag day, \$134.93; house to house canvass, \$556.17; St. Paul School donations, \$26.06; Salem High School, \$41.32; and receipts, \$54.

Earl Ware assisted Atty. Mauro in the local campaign. Others who worked on the month-long event were Ethel Minnamyer and John Herman Jr., who directed the house-to-house canvass; Orein Naragon, treasurer, and Mrs. Mary Gregg, secretary; Harold Smith and Sister Carmella, principal of St. Paul School, who handled the drive in city schools; Marshall Sutherlin, VFW members and representatives of the youth center who conducted a tag day; and Mrs. Thomas Mercer and members of the Junior Red Cross who addressed and mailed form letters.

Although the drive is officially closed, donors may send contributions directly to Atty. Mauro or to Naragon at the Farmers National Bank.

Still In Fair Condition

John Goddard, six-year-old son of Mr. and Mrs. John Goddard of MC 1, Salem, is still reported in fair condition today in City Hospital where he was taken Monday after he and a companion ran into the side of a car on the Georgetown Road. His playmate, Terry Lavis, 6, son of Mr. and Mrs. Oliver Davis of MC 1, Salem, was treated at the hospital and released.

Fifty countians have been called to report Monday at the courthouse for possible jury duty in the trials of the policemen.

Trials for five East Liverpool policemen who pleaded not guilty to charges of being party to a series of burglaries are slated to start next Monday. Facing trials are Robert Carroll, Ira Cunningham, Robert Hanna and Louis Stuttler, suspended policemen, and Jerry Raimond, special policeman.

Fifty countians have been called to report Monday at the courthouse for possible jury duty in the trials of the policemen.

His playmate, Terry Lavis, 6, son of Mr. and Mrs. Oliver Davis of MC 1, Salem, was treated at the hospital and released.

Turn To JET CRASH, Page 8

High Voltage Too Much For Street Lights; Areas Dark

Trees caught fire and street lights were burned out when a 4,160 volt power line fell across city street light circuits in the Madison-Oak Street area Tuesday evening about 7.

The entire southeast section of the city was darkened as far as street illumination was concerned. Service Director James Feiler said. Parts of the northeast section of town also were affected.

The high voltage spread through the city street light circuit, burning out at least 100 bulbs, burning cable, both underground and overhead, Feiler said.

Police and auxiliary policemen were called out when trees on E. State St. between McKinley School and Park Ave. caught fire periodically as the wind brushed the hot wires against limbs.

Ohio BUC Rules Out Guaranteed Wage Plan

COLUMBUS, Ohio (AP)—The auto industry's guaranteed wage plan will not bring added benefits to unemployed Ohio workers in the industry June 1 when it goes into effect in some states.

That was the effect of a ruling Tuesday by James R. Tichenor, Ohio Bureau of Unemployment Compensation (BUC) administrator. Tichenor ruled that unemployed Ohioans cannot receive full state benefits and supplemental

private benefits at the same time under present Ohio law.

The BUC administrator urged legislative action specifically "permitting the right to supplementation or denying it."

The question of supplemental benefits arose last year when auto makers with several thousand employees in Ohio signed agreements with the United Auto Workers Union (AFL-CIO) to provide a guaranteed wage plan. Layoff pay under the plan was to supplement state unemployed benefits.

Tichenor said in a statement:

"This is such an important issue, affecting the future administration of the Ohio unemployment law, that it should be resolved by the Legislature, by specific legislation either permitting the right to supplementation or denying it."

The BUC ruled in response to a query from the Ford Motor Co. that if unemployed Ohioans receive private supplemental benefits, their state unemployment compensation will be reduced by the amount of the private benefits.

Guaranteed wage contracts were set up to provide unemployed workers with 60 to 65 per cent of their normal take home pay for a maximum of 26 weeks. The total

would include state unemployed benefits.

The contracts provide, however, that no benefits will be paid if, as a result of such payment, the employee's state compensation is reduced.

Thus the BUC ruling nullified company payments to auto workers in Ohio.

Ohio union leaders strongly objected to the BUC ruling.

Pat O'Malley, director of the Auto Worker's Region 2 in Northeast Ohio and Western Pennsylvania called it "a backward step."

John Rooney, secretary-treasurer of the Ohio CIO Council, said the ruling means "unemployed workers in other states where favorable rulings have been obtained will start drawing benefits after June 1 whereas Ohio workers will be penalized."

Tichenor said the BUC in its decision took no sides on the merits of supplemental unemployment benefits. He said:

"We are in sympathy with the desire of employees and employers to give greater security to all those who work for a livelihood. However, we cannot be persuaded on this issue by our own feelings. Our decision is based strictly on the Ohio law as we see it."

Two attempts have been made to legalize layoff pay in Ohio. The voters showed under one such proposal at the polls last November. At that time, the layoff pay plan was tied up in the same package with a proposal to increase state jobless pay benefits.

Earlier, the Ohio Legislature refused a few days after the contracts were signed to include the layoff pay plan in a benefit increase bill then being passed.

The Legislature, instead, sent the proposal to the Legislative Service Commission for study. A subcommittee, headed by Sen. Fred W. Danner (R-Summit), has been studying the question and has set next January as the time it hopes to report its findings to the Legislature as a whole.

The legal block to allowing private benefits to supplement state compensation is in the statutory definition of "remuneration." Tichenor said Ohio law requires that any remuneration paid by an employer to his employees for services must be deducted from benefits payable by the state.

Area Schools To Get Funds

Beaver Local, Negley Okayed for State Aid

COLUMBUS, Ohio (AP)—The State Board of Education at its meeting Tuesday night approved tentative reservation of \$1,475,000 in state aid for schools in four needy districts and postponed action on an additional \$1,251,800 in state aid for seven other districts.

The board approved final grants of \$709,000 in state aid for six districts.

Board members winding up their monthly meeting were told also they will be able to select a state superintendent of education at their June 11 meeting.

Funds tentatively reserved from a 7 million dollar appropriation by the Legislature for school buildings were: Paint Local, Ross County, \$300,000; Twinsburg Local, Summit County, \$259,000; Beaver Local, Columbiana County, \$576,000; and Brunswick Local, Medina County, \$340,000.

Final grants approved were: River Local, Monroe County, \$110,000; Southwestern Local, Gallia County, \$292,000; Negley Local, Columbiana County, \$45,000; Utica Washington Local, Licking County, \$112,000; Goshen Local, Clermont County, \$85,000; and Willard Exempted Village, \$65,000.

Charlton Myers of Marion, chairman of a committee named to screen candidates for the \$20,000-a-year job of superintendent, said the committee has narrowed to 20 candidates a field of 95 persons nominated for the position.

Myers said the field would be cut still further at another meeting of the committee prior to the June 11 board meeting.

Neither the names of the leading candidates nor the date of the committee meeting was disclosed.

TAX YIELDS \$1.8 MILLION

CANTON, Ohio (AP)—The city collected \$1,849,000 from a .6 per cent income tax last year, an audit showed Tuesday. One third goes to city operations, the rest toward a 10-million dollar expressway.

Judge Raps Laxness In Allowing Prison Break

NEWARK, Ohio (AP)—A common please judge today said there is a need for "proper security" for confined criminals.

Judge Charles B. Holtsberry criticized from the bench what he termed laxness on the part of some state officials which resulted in a prisoner escaping twice from state institutions.

Judge Holtsberry referred to Robert L. Jamison Jr., who with three other patients, escaped last Saturday from the Lima State Hospital. None has been recaptured.

Jamison also had walked away

from the Ohio Penitentiary honor dormitory in July 1954.

DEMOCRATS TO ORGANIZE

COLUMBUS, Ohio (AP)—Harry Meredith, Lima attorney and

chairman of the Democratic State Central Committee says there will be an organizational meeting of the committee next Wednesday in the Deshler-Hilton Hotel here.

Soviet Sleight of Hand

By DAVID LAWRENCE

Internal Unrest Forces Army Cut Announcement

When the Soviet Union announces a "cut" of 1.2 million men in her army, which in all totals at least 5 million, it's the same thing as saying that henceforth a "reserve" of men we are going civilian clothes will go on duty in forced labor camps and in other projects of the government.

IN TESTIFYING before a Senate committee that 3 billion dollars of the 4.9 billion dollar program is for military aid and a large part of the remainder is for economic aid to nations which furnish military defense to this country, Mr. Wilson said:

"To cut military assistance materially at this time would present serious risks to the defense of the United States and the free world and would require a complete revaluation of our international position and of our own military budgets."

The defense secretary pointed out that America now is helping to support 200 divisions in Allied armies, which is a force "several times the strength of our own army."

Adm. Radford supported this argument with the statement that it is better to help allied nations maintain their armed forces through military assistance than to attempt "to provide U.S. soldiers in the absence of those forces." He added that, besides the lack of such unlimited manpower resources that would be required, the costs would be prohibitive even for this country."

This is the first time high officials have talked so bluntly about the reasons for the foreign-aid program. Many a boy not being drafted would be in uniform today were it not for the Allied divisions supported by the foreign-aid program.

The increased cost to the federal budget would be several times the present 4.9 billion dollars for foreign aid.

There is, of course, a tendency everywhere to rely less on conventional forces.

THE EMPHASIS instead is on nuclear weapons. The danger is that, if an agreement to ban the atomic bombs is ever made or there is mutual forbearance and failure to use such weapons, the Soviets would be stronger in ground operations in Europe.

It is suggested by Secretary Wilson that perhaps the Russians are cutting their armies because they want to divert more money to the nuclear side and that the United States cannot afford to change its programs just because Moscow makes a propaganda move.

Only when there is a free government in the Kremlin and when armed forces are withdrawn from the satellite states and their independence restored, can there really be any trust that an era of peace has arrived in Europe.

Lucifer In Queen's Ear?

By JERRY KLEIN

OTTAWA

A piece of paper has raised the Devil in the Canadian Parliament.

A bit of the Devil has been discovered on stamps bearing the face of Queen Elizabeth. These stamps appear evil to some because on them you can detect "an outline of his satanic majesty's face in the Queen's hairdo."

By looking closely at the curls near the Queen's left ear you can see an evil face with bulging eyes, beaked nose and wicked mouth. A member of Parliament from Alberta, John Blackmore, told the legislators the stamps convey the altogether improper suggestion that Lucifer has the Queen's ear.

Government spokesmen scoffed at the idea of deviltry. Nevertheless, the shadowy face of Satan will be removed from a new issue.

Such little slips on a country's stamps have sometimes led to riots, breaches in diplomatic relations — and even war.

Britain and America came close to war in the 1890's because of stamps issued by Venezuela, which contained a map of Venezuela that included part of the Orinoco River Valley claimed by Britain.

Britain was all ready to occupy the valley with soldiers when the U.S. invoked the Monroe Doctrine. President Grover Cleveland warned America would fight if Venezuela was invaded, and Britain agreed to settle the dispute by arbitration.

Britain, Chile and Argentina became embroiled a few years ago when Argentina issued stamps containing a map of its area. Chile went up in arms because some of her territory had been placed inside the western Argentina border. Britain fumed because, on the stamps, Argentina had grabbed the long-disputed Falkland Islands, ruled by Britain for many years.

Diplomatic protest notes began circulating among the three nations and retaliations were threatened. Finally Argentina removed the stamps — if not the hard feelings.

Bulgaria threatened war with Turkey in 1931 because of a drawing on a Turkish postage stamp. Issued to honor a conference of the Balkan Federation, the stamp showed a tree whose roots symbolized the solidarity of the

There is no substitute for "a better 'ole' when the situation calls for letting something blow over."

Yanks Go Home

By GEORGE SOKOLSKY

It is not amusing, for a taxpayer, to hear someone say, someone from most any country, that it would be preferable if the United

States left that country. Of course, we are not really in any country, except that we helped to defend it during the war, financed its reconstruction immediately after the war, and have continued to give it one or another kind of aid since. But we have taken no territory nor have we subordinated any government to ourselves.

So, we see signs, "Yanks Go Home!" and we say that the Commies put them up. But suppose it was not the Commies who put up the signs, "Yanks Go Home!"

SUPPOSE MOST of the citizens of a country, like France, really want to remove ourselves, our aid, our standard of living, our conferences, air bases, NATO and everything else so that they might live their own lives. They have lived their own lives for centuries with wars coming upon them quite often, most of which they lose but none of which obliterate them. I use France as an example. It might be Italy. Even little Iceland is now telling us to clear out

How do we know that the people want our aid or want us to clear out? How do we know that the miserable signs, "Yanks Go Home!" are not really put up by anti-Russian, anti-American neutrals who want no part of great issues but prefer to live out their lives as small people, inconspicuous, unimportant but altogether contented?

THE WAVE of nationalism in the world is usually attributed to our failure in the Korean war. After such a failure every nation had to reconsider its position.

If Red China could defeat the United States, anything could happen, and why take big risks? Furthermore, for the Asians our

aid the neutrals and the weak and backward nations and at the same time finance an armament race in which we fall behind the Russians, as the generals say. Isn't there one piece of good news anywhere for the American taxpayer?

Well, it might be said that peace is cheaper than war and that as long as there is peace, nobody gets killed by war and the costs are kept down. On the other hand, if what the generals say is true, namely that the Russians are beating us in the armament race, it is not at all surprising that the signs go up, "Yanks Go Home!" because nobody likes a loser and most of the world expects us to win.

AS A MATTER of fact, a French youth was explaining to me that the Russians did not steal the bomb from us at all; that the Julius and Ethel Rosenberg story was a fabrication; that there were two ways of making the atom bomb — we made it one way and the Russians the other. Apparently he was taught that in school or read it somewhere. He was not clear as to the source of that account, but was quite stubborn about its accuracy. So, if we are not so wonderful, why should not the Yanks go home?

THEIR HOPE is to get bigger appropriations; the end result is to frighten the American people and to make them wonder what has been done with all the billions that have already been spent on bombs and airplanes and submarines and all sorts of things.

More and more the taxpayer wonders how long he will continue to have to pay crushing taxes to

Overconfidence Hits GOP

By RAYMOND MOLEY

During the past month I have made two trips to California and back to New York. In the course of the more recent of these I made stopovers in Chicago, Kansas City, and Wichita. My general political observations which follow are not based upon any considerable "feeling of the pulse" of the citizenry on the way. My travels were not made for that purpose. I hesitate to impose upon readers stories such as I have occasionally noted by a reporter who, after talking with Hammar Lunkin, farmer, and Richard Mekan, implement dealer, and Minnie Mikis, housewife, is able to report that Iowa is seething with discontent.

All I can report on the political atmosphere after these trips is gained from a number of people who might be called leaders of opinion — and in their cases, from what they asked rather than from what they answered — from reading the excellent newspapers which I encountered on the way, and from my own reflections, enriched, I hope, by my experience in many campaign years of the past.

There can be little doubt that Messrs. Stevenson and Kefauver are gravely burdening the patience, not to say the sense of humor of the people who hear or read about their speeches. One evidence of that is the fact that a great majority of the questions I have been asked are about someone other than the tiresome Stevenson, Kefauver, and Harriman. Sen. Symington, for example, is a matter of interest even in Kansas City, where people ought to know a lot about him. Also Sen. Johnson of Texas. And Frank Lausche of Ohio. My deduction from these inquiries is that there is considerable interest in finding somebody other than the three — if one may use the expression — front runners.

This election, so far as the preference of a majority of voters is concerned, is in the bag. But unless somebody turns the bag upside down and shakes it, there will be a very light Republican turnout in November. Since there will be no lack of work by many Democratic machines in cities, energized not by love of any Democratic candidate for president but by concern for local tickets, and since Walter, Victor, and Roy Reuther will be spending millions of money and will employ thousands of workers in an effort to corral obedient congressmen, there may be a big surprise on election day.

At the moment, a great political calm prevails — an Eisenhower calm with plenty of apathy on all sides. Apathy born of the fatal fallacy that anything in politics can be taken for granted.

TWENTY FIVE YEARS AGO — Indications were strong Tuesday that specifications for the improvement of East Main St. would be changed to provide for the use of sand instead of concrete as a filler. The street is being repaired between Broadway and Lincoln Avenue. Removal of the old bricks from the section was completed Monday and removal of earth to make room for the six-inch concrete base under the brick is ready to begin.

Rev. Frank Albus, rector of the Episcopal Church, left Monday for Cleveland to represent the local church at the convention of this diocese in session there.

Drinking fountains in the business section of the city are now in commission for the benefit of the general public. The large one at East Main and Broadway was ready for use Monday, and the other two on E Main St. were turned on Tuesday.

Once Over

By H. L. PHILLIPS

The Hardtop Egg

The wonders of science will never cease. Now it has developed a nonshatterable egg! It is produced by taking the egg from the original shell and putting it into a durable plastic shell. Such eggs are then packaged in a polyethylene container in which they can be cooked and from which they can be eaten! Millions of dollars are lost to farmers and shippers through busted eggs every year and it is predicted that within a short time nobody will have anything to do with an original shell except the hen.

CORNELL HAS DEVELOPED the new "hard-top" egg. But it is yet to produce a professor who can cackle or crow. (In a way the university is unwittingly supporting the current contention that our educational system has laid an egg.) It will be no help to ham actors, political orators or magicians specializing in the hat trick. The egg won't break but the target is certain to. It is better to be spattered than to lose on an early knockout.

The missus is skeptical about any egg upon which college professors have worked harder than the hen. She welcomes an egg that doesn't crack easily. But she has no desire for one that has to be opened with a billiard cue.

IT CAN REVOLUTIONIZE breakfast habits. No man can be positive whether he is getting an order of boiled eggs or two new billiard balls. We fear the advent of bacon in optional colors and so designed that it loses all association with a pig.

(We interviewed a couple of housewives today: Housewife Number One: "Eggs in a plastic shell?" Nice going, especially if they can be used for table tennis." . . . Wife Number Two: "Science is wonderful. How about a chicken that comes in a plastic skin and can be used as a bookend?" . . . Wife Number Three: "I await the omelette that has been prewheeled by du Pont and is delivered intact when thrown at the kitchen door from a delivery truck.")

EX-PRESIDENT TRUMAN'S European tour will include a visit to places where he fought as an artilleryman in World War I, and the memories of which seem peaceful compared to the fights he's been in since.

Difficulties of the Ziegfeld Follies make it clear that, contrary to belief, the prediction of a big-time revue is tougher today than most any other phase of show business. . . . Ziegfeld shows always had numerous big-time comics and comedians, but most of such talent can today make more money on TV or in movies for a single effort than can be made in a revue in months. . . . There is no W.C. Fields, Will Rogers, Eddie Cantor or Willie Howard around today anxious for a Follies role. . . . Tallulah Bankhead is admittedly a great star, but fitting her for a Follies part is tough work.

A New York judge reduced bail from \$2,500 to \$1 in the case of a confessed possessor of narcotics. He seems to be "needling" the law enforcement officers. . . . a big brokerage house now sends information buses on the road to reach customers where they live. . . . You never know when the bell rings whether it's the Fuller Brush Man or the Fuller Market Information Man. . . . The firm uses cartoons in advertising. . . . Laughs for both the long pull and the quick turnover.

A million dollar medical center for dogs is to be built in New York from a \$3 million dollar bequest by a rich dog lover. . . . From here on to be sick as a dog won't imply hopelessness.

Looking Backward

FROM THE NEWS FILES

FIVE YEARS AGO — Coronet Club members met at the home of Miss Gwen Krepps of Perry St. Mrs. William Seehler and Mrs. Bertha Kerns won canasta prizes, and Mrs. Frances Hoyt won a special prize.

An essay written by William J. Weber, son of Mr. and Mrs. William A. Weber of S. Union Ave. was published in "The Sprig," the quarterly creative writing magazine of the College of the Ozarks.

Mrs. Gale Dougherty and daughter, Martha Ann, spent the weekend in Chicago with their son and brother, Richard Dougherty, and with Mr. and Mrs. Fred Disenzopf.

TEN YEARS AGO — Mrs. Mayme Kelsey of Los Angeles, Calif., is visiting her aunt, Mrs. W. E. Dunn of Cleveland St.

Soundman Second Class James Hobart of Brooklyn, N.Y., is spending a leave with his parents, Mr. and Mrs. Bart Hobart of Ohio Ave.

Mrs. Sylvia Spickler of Oxford, Mich., is visiting her brother and wife, Mr. and Mrs. James Leipper of E. 4th St.

TWENTY FIVE YEARS AGO — Rev. A. C. Westphal, pastor of the Salem Baptist Church, was chosen vice moderator of the Baptist Wooster Association at a session held in Canton.

The Semper Paratus Club held a meeting Friday at the home of the president, Miss Frances Cooper.

Installation of new equipment valued at \$150,000, designed to increase production and possibly employment, is under way at the Mullins Mfg. Corp.

FOURTY YEARS AGO — Indications were strong Tuesday that specifications for the improvement of East Main St. would be changed to provide for the use of sand instead of concrete as a filler. St. Paul Catholic Church Scene of Alessi-Soldo Nuptials

Honeymooning in Washington, D.C., and Virginia are Frank Soldo and his bride, the former Polly Alessi, following their wedding Saturday morning at St. Paul Catholic Church.

Rev. Fr. J. R. Gaffney officiated at the double ring ceremony uniting in marriage the daughter of Mr. and Mrs. Joseph Alessi of

480 Franklin St. and the son of Mrs. Martin Soldo of Struthers.

Twin vases of white carnations and gladioli graced the altar to which Mr. Alessi escorted his daughter.

The bride's gown was of embroidered nylon fashioned with a scoop neckline and long sleeves which buttoned at the wrists. The full bouffant skirt ended in a brush train.

Her veil of imported silk illusion was held by a cap trimmed with seed pearls. She carried a crescent shaped bouquet of white carnations, a white orchid and ivy. The bride placed a bouquet of white carnations at the Blessed Virgin's altar as "O Beautiful Mother" was sung.

Miss Mary Ellen Alessi, sister of the bride, was maid of honor. She appeared in a blue crystalette gown designed with a boat neckline and short sleeves. Her spray bouquet was arranged with yellow and white carnations and ivy.

Misses Shirley Brattigam of Salem and Pat Cittino of Leetonia were the bridesmaids. Their gowns were identical to that worn by Miss Alessi. Their bouquets were of yellow carnations and ivy.

The flower girl, Sylvia Soldo of Struthers, niece of the bridegroom, wore a floor length gown of white crystalette fashioned with a blue satin sash. She wore blue flowers in her hair and carried a colonial bouquet of blue mums and white sweetpeas.

John Soldo of Poland, brother of the bridegroom, served as best man. Edward Kapusta of Carbon Pa., and Albert Falk of Salem were ushers.

The bride's mother wore a pale blue lace dress with white accessories. Mrs. Soldo was dressed in black with white accessories. Corsets of white carnations complemented their ensembles.

One hundred twenty-five guests attended the wedding dinner held at the Slovak Club. The reception was held at the club, with guests from Detroit, Mich., Toronto, Canada, St. Louis, Mo., Beaver Falls, Pittsburgh, and Ridgeway, Pa., Poland and Struthers in attendance.

Red and white streamers and large wedding bells decorated the club. The wedding cake was cut by Mrs. Gene Filippelli of Detroit, a great-aunt of the bride. Bonnie Anderson and Jackie Molinaro, cousins of the bride, registered the guests.

The bride is a graduate of Salem High School and is employed as a biller by the Youngstown Kitchen Division of American Standard Corp.

A graduate of Bessemer, Pa., High School, Mr. Soldo is an electrician with the Carbon Limestone Co. of Carbon, Pa.

For her wedding trip, Mrs. Soldo wore a charcoal dress with white accessories and the orchid from her bridal bouquet. Upon their return, the couple will reside at 1495 E. State St.

The bridal couple presented gifts to their attendants at the rehearsal party Friday evening at the home of the bride's parents.

**Salem Grange Contest
Winners Are Announced**

Willis Zimmerman presided at the recent business meeting of the Salem Grange.

The lecture hour was conducted by the home economics committee. It featured a sewing and baking contest. Winners in the sewing contest were Mrs. Elbert McArthur, first and Mrs. Warren Rhodes Jr., second; baking contest, Roland John, first, and Mrs. Albert Fronk, second.

Loretta Doyle and Karen Veta were first and second place winners, respectively, in the juvenile writing contest.

The remainder of the program included: piano solo by Lois Whinney; reading, Mrs. Joe Smith; piano solo, Joyce Whinney; a stunt, Mrs. Albert Fronk; and vocal duet, Lois and Joyce Whinney.

Lunch was served by the home economics committee.

A public square dance will be held following Friday night's meeting.

MEETING IS CANCELED

The Bethlehem Class of the Methodist Church has canceled its May meeting. The group was to have met Thursday at the church. The next meeting is scheduled for June 21.

George Pepperney and daughter, Katherine, of W. Wilson St., were guests Sunday of his grandson and wife, Mr. and Mrs. Charles Lowry Jr. of Youngstown. The occasion was to attend the first Holy Communion services of the class of which Mr. Pepperney's great-grandson, Charles Lowry III is a member.

The new Knit Lure is available at

Mrs. Birkhimer Is Elected Regent by Catholic Daughters

C. R. Baker, a retired photographer, and W. W. Mathews, historian, were guest speakers at a meeting of the Leornians May 9 in the Ruth Smucker House. The two men, both present at Salem's centennial celebration, told highlights of that time and discussed important events from then to the present.

Mrs. F. Edwin Miller sang the "Salem Anthem" and the "Queen Song." She was accompanied by Miss Katherine Minth. Mrs. Miller also conducted a singfest during the social hour when members were invited to request their favorite melodies.

The "sesquicentennial preview" was the last program for the season. Mrs. Willard Albersen, retiring president, presented the gavel to the new president, Mrs. Alfred Fitch. Mrs. Fitch announced that Mrs. George Conrad will be program chairman for the coming year and that the next meeting will be Oct. 10.

Mrs. Fitch and Mrs. Albersen presided at the tea table which was laid with a lace cloth and centered with an arrangement of daffodils. Serving on the committee were Mrs. David Keller, Mrs. John Holzwarth, Mrs. William Luce, Mrs. Wallace Duncan, Mrs. Clyde McFeely and Mrs. Erven McLaughlin.

Phoebe Fraunces Group Plans Memorial Service

All members of the Phoebe Fraunces Chapter, Daughters of the American Revolution, will meet Monday at 7:30 p.m. at the gate at Grandview Cemetery. A memorial service will be held for Mrs. Frank J. Mangus, former treasurer of the chapter, who died recently.

After the memorial service, the chapter members will hold a business meeting and program in the Ruth Smucker House. Mrs. A. Laton Carter will be guest speaker. She will talk on Indian Missions.

Annual reports will be read, and Mrs. Mae Smith of Columbiania, regent of the chapter, and Mrs. Edith Archibald, historian, will tell of the meetings they attended recently at Continental Congress in Washington, D.C.

Members are reminded to bring clothing for Indian and D.A.R. school children.

FETED ON BIRTHDAY

Eighty classmates and teachers attended the surprise birthday party for Mary Alyce Gause at the American Legion Hall in Hanoverton recently.

Square dancing was enjoyed, and the honoree received many gifts.

Mrs. Robert Potter, Mrs. A. D. Griffith and Mrs. Henry J. Anderson visited Western Reserve campus Sunday afternoon for the school's annual observance of Mother's Day. The program activities included teas, a speech by Headmaster John Hallowell, music by the Glee Club, supper in the academy's dining hall and a vesper service.

Knit Lure dissolves instantly in cold water. Immerse your sweater or other knit wear, soak and gently squeeze out the soil, then rinse and spread out to dry. Salem College Offers Typing Speed Tests

Salem College is offering two typing lessons or certified speed tests for Salem area high school students, it was announced today.

The lessons and tests are being offered free by the college to ascertain individual aptitudes and to

encourage youth to learn typing. The speed tests will enable the student to take a civil service examination for any employment.

Dates of the lessons will be Monday, June 7 and Thursday, June 10, from 9 a.m. to 9 p.m.

Students from the area may sign up at the school for the free lessons and tests May 17, 21, 24, and 28 between 3 and 9 p.m.

WILL PRESENT CONCERT—The New York Staff Band of the Salvation Army, one of the foremost brass bands in America, will present a concert Friday afternoon at 1:30 in the Salem Junior High School for benefit of all students at the school.

Officers or soldiers of the Salvation Army; members of the band, work in various capacities at the territorial headquarters offices or at other Army centers in New York City.

The 35-man band is under direction of Col. George Marshall, executive officer, and Senior Capt. Richard Holz, bandmaster.

Since its organization in 1887, the staff band has played in numerous cities and towns in the country and also in England and Canada.

The bandsmen also form themselves into the Staff Band Male Chorus under direction of Lieutenant Vernon Post, deputy bandmaster and chorus director. A number of the bandsmen are shown above.

Awards Presented At Dinner Of Council Of Girl Scouts

Recognition and membership awards were presented at a meeting of Salem Council of Girl Scouts Thursday evening at Goshen Grange.

One hundred and twelve members and guests enjoyed a dinner served by Mrs. Lester M. Burton and her committee of grange women. Mrs. George R. Huston gave the invocation.

The president, Mrs. Josephine Greenwood explained the changes made in the council's constitution and by-laws. She also reported on the recent president's meeting held in Cincinnati.

Administrative chairmen explained how their committees are strengthening the girl scout movement locally.

Mr. and Mrs. Ray Stiver, camp chairman, urge all adults and senior scouts to help May 26 and 27 during clean-up days at Camp Merrydale. Open house at the camp will be held June 24 from 2 to 7 p.m.

Mrs. F. S. Barckhoff Jr. asked the Brownie and younger intermediate troop leaders to make their requests for camp aides before Saturday. Twenty-five senior scouts will leave the Memorial Building at 8:30 a.m. Saturday for Camp Merrydale for an all-day camp aide training session.

Mrs. Amil Cosma requests all troops to contribute campcrafts for the girl scout display at Centennial Park during the sesquicentennial celebration.

Mrs. Stiver introduced Howard McGaffick, commander of the Veterans of Foreign Wars, who presented the council an American flag for Camp Merrydale. The VFW will be represented at the flag raising ceremony the first day of camp, June 17. Mr. McGaffick also presented the council a framed copy of The American Creed for the lodge at camp.

Membership awards were presented to the following: 10-year numerals, Mrs. George McGaffick, Misses Charlotte Holloway, Janice Jeffries, Peggy Martin, Victoria Paparidis, Sharlene Sanlo and Rosemary Sulea; five-year pins, Mrs. Velma Stanley and George R. Huston.

The recognition chairman, Mrs. Charles Malloy, presented a certificate of appreciation to Mrs. Robert Gray, Troop 24 leader, for her six years of service.

Mrs. James Gregg received the "thanks badge" for serving 13

Mahoning 4-H Club Enrollments Due May 25

The Mahoning County 4-H Club enrollments are due May 25, it is announced.

The club organization, which includes selecting and obtaining projects, obtaining project books and completing enrollment cards, has been progressing for several months.

Club enrollments should be turned in to the county extension office in Canfield. Clubs which wish to participate in the voluntary honor club program receive 100 points for having their enrollments in by May 25.

All types of enrollment material and nearly all types of project books are available at the extension office.

Beaver Local Expansion Plans Set

LISBON—The Columbiana County Board of Education furthered plans for a school expansion program in Beaver Local District No. 1 when the board met last night at the courthouse.

Plans were advanced following the announcement by the state board of education that tentative reservation of \$576,000 had been made for the Beaver district.

The money will be used to construct a 20 classroom-building near the site of the high school now being built on Rt. 7 between Rogers and Rt. 30, and for the addition of four rooms to the brick structure of Calcutta School. The two wooden sections of Calcutta school will be torn down.

The proposed new school will house fifth, sixth, seventh and eighth grade classes. The high grade classes. The high school is expected to be completed by July 1, with classes scheduled to start there next fall.

Following completion of the high school and the other school, the wooden school buildings at Calcutta, Oak Grove and Clarkson will be torn down.

The county board also adopted a schedule for next year. Schools will open Sept. 4 and close May 27.

Hearings on the six petitions for permission to withdraw from the county school system will be held June 19 and 20 at United School.

Glenn Rich, assistant director of secondary and elementary education at Columbus, will represent the state board of education.

Four persons will give arguments from each group. Two will appear for the petitions and two against it. Their arguments will be taken down on tape recordings which will be returned to the state board of education.

Lions Club Holds Officer Installation

Glenn Robbins was installed as president of the Lions Club Tuesday evening at the installation party held at the Valley Golf Club in Columbiana.

Approximately 50 guests were in attendance. Out-of-town guests included: Lions International Counselors Edward Gilronan of Youngstown, Maurice Gilbert of Ashtabula and Jack Darrah of Akron; Senior Deputy District Governor George Brown of Warren; Zone Chairman Sam Cipriano of Niles; Mr. and Mrs. Chester Roof and Mr. and Mrs. Ed Maruca. Roof is president of the local Kiwanis Club and Maruca is president of the local Junior Chamber of Commerce.

The international counselors and the district governor in turn installed the 1956-57 officers as follows: Robbins, president; George Nierlich, first vice president; R. K. Rowand, second vice president; Fred Filler, third vice president; and Richard Karlis, tail twister.

Others are: Leonard Spencer and Don Mathews, directors for one year; Donald Reinhard and John Fithian, directors for two years; George Kyle, lion tamer; Elwood C. Hammell, secretary; and Ralph Smith, treasurer.

Mr. Cipriano presented 100 per cent attendance pins to Hammell, Leo Beal, Nierlich, Floyd Craig, Smith, Karlis, Robbins and Harold Shears.

The incoming president presented a jeweled past president's pin to Craig.

Kyle, Rowand and Mrs. Spencer were in charge of arrangements for the party.

Nebraska Vote Shows No Farm Discontent

OMAHA (AP)—President Eisenhower outscored Sen. Kefauver (D-Tenn.) nearly 2-1 Tuesday on the basis of still incomplete returns from a Nebraska presidential preference primary election.

It was about par for Nebraska's political course, and Democrats looking for signs of a rural revolt against administration farm policies got little cause for encouragement here.

Neither the Republican chief executive nor the Tennessee Democrat was opposed on his party's ballot. Write-ins were permitted, but their numbers proved inconsequential.

Unofficial returns from 1,606 of 2,127 precincts gave Eisenhower 67,791.

Kefauver had 39,377 votes from 1,642 precincts. Adlai Stevenson had 1,483 write-in votes, and Gov. Averell Harriman of New York 791.

In the 1952 Nebraska primary, Republican ballotters outnumbered Democrats about 65-35. Two years ago the GOP margin swelled to 67-33.

Train X

Continued From Page One

built by Pullman-Standard Car Manufacturing Co., the same firm which built an experimental Train X car in 1951 for Young when he was board chairman of the Chesapeake & Ohio.

It consists of four two-unit cars, each with only a single axle, and one car—the center car—with double axles. The cars ride only 23 inches above the rails compared with 44 inches for conventional cars. They're only 11 feet tall, about 4 feet lower than ordinary cars.

The locomotive, scaled down to conform with the low-slung cars, is a new diesel of German design built by Baldwin-Lima-Hamilton Corp. and using a fluid drive instead of the electric drive used by regular diesels. It, too, is a lightweight. Its top speed is 120 m.p.h.

The claim is that fuel consumption will be only 40 to 50 per cent of that used by conventional trains. The coaches, built almost entirely of aluminum except for some steel in the underframe, are only a third the weight of conventional passenger cars, seat for seat.

Sewers

Continued From Page One

mayor said there were "hundreds" of downspouts in the city connected into the sanitary sewers and would take "perhaps two or three years to locate all of them."

Utilities Director Aubrey Hayes said that "every home should be checked" for downspouts connected into sanitary sewers. He said the city is attempting to set up a fund to purchase a machine to cut roots which are clogging the city's sanitary sewer lines.

The sewer committee of council was directed to study the problem.

Under city ordinance, connecting downspouts to the sanitary sewers is a misdemeanor and violators, after being notified their rain spouts are improperly connected, are subject to a fine not exceeding \$200 for each violation. Each day is considered a separate offense.

Promotion Manager Named By Gas Co.

Continued From Page One

will be tried in the kangaroo court.

Rules Formulated

Rules to be obeyed by all "Sisters" were formulated at last night's session. According to these rules, a "Sister" cannot be seen drinking from a soda pop bottle; cannot be seen chewing gum; although dipping snuff is permissible; cannot be seen crossing her legs or showing her ankles; should not be seen running, unless she is being chased by a Brother of the Brush; must wear a black ribbon around her wrist at all times; and a "Sister" who is obedient will walk a respectful three paces behind her husband or male companion when out in public.

Robert L. Peters

Robert L. Peters of Springfield has been named district business promotion manager of the Natural Gas Company of West Virginia. It was announced today by Kenneth E. Harsh, district manager.

In his new post, Peters will have charge of promoting and advising on the use of gas through the Natural Gas Company's eight-county territory. The company serves customers in Belmont, Carroll, Columbiana, Harrison, Jefferson, Monroe, Stark and Tuscarawas counties.

Peters, 45, is assuming his new duties here after 19 years in business promotional work with the Ohio Fuel Gas Company in the Springfield area.

A native of Pleasantville, he was graduated from Pleasantville High School and attended Ohio State University.

Peters, his wife Mary, and their two children, Bonita, 9, and Robert L., 8, expect to move to Salem as soon as suitable living quarters can be found.

Pageant

Continued From Page One

The spectacle will be presented at Reilly Stadium, and a large chorus will supply the musical background, along with special recordings and music for sound effects.

The prologue will feature the sesquicentennial queen, to be chosen from among 81 contestants, along with her princesses, ladies-in-waiting, court attendants, trumpeters, pages and color bearers.

In the grand finale, the entire cast will form a composite group of all the historic characters and early inhabitants.

Any persons interested, whether or not they have previously signed up for character parts, are asked to attend Monday's meeting, originally scheduled for Friday.

Lyndall, a producer-director for the Rogers Co., has been with the company since 1941 and has produced celebration pageants throughout the country.

In 1951, Lyndall directed the centennial pageant for Kansas City which had a cast of 1,200 and played for a month. He has also directed pageants in Latrobe, Pa., Crookston, Minn., Morristown, Tenn.; Hammond, Ind.; and Struthers.

During the winter months Lyndall stages indoor musical comedies and spectacles. His experience has also been in the acting field, and he has performed with the Barn Theater of Eddington, Pa.; the Whalom Playhouse of Lake Whalom, Mass.; the Little Theater of Trenton, N.J., and in several New York productions including The Student Prince, Oklahoma, The Chautauqua Opera Co. and Gilbert and Sullivan Co.

Mrs. Thelma Talbot led group singing of the Salem Anthem and Salem Queen Song when Katherine Mynth was at the organ.

The Sisters committee, members of the American Legion Auxiliary, is comprised of Mrs. Ruth Sheen, who acted as master of ceremonies; Mrs. Charles Mattevi, Mrs. Betty Waiwai, Mrs. John Herman Jr., Mrs. Effie Broome. Mrs. Chester Kridler, a representative of Amaranth, is chairman of the sunbonnets committee.

In 1951, Lyndall directed the centennial pageant for Kansas City which had a cast of 1,200 and played for a month. He has also directed pageants in Latrobe, Pa., Crookston, Minn., Morristown, Tenn.; Hammond, Ind.; and Struthers.

During the winter months Lyndall stages indoor musical comedies and spectacles. His experience has also been in the acting field, and he has performed with the Barn Theater of Eddington, Pa.; the Whalom Playhouse of Lake Whalom, Mass.; the Little Theater of Trenton, N.J., and in several New York productions including The Student Prince, Oklahoma, The Chautauqua Opera Co. and Gilbert and Sullivan Co.

A special feature of the program will be the appearance of several displaced persons residing in Salem who will give impressions of life in the United States.

BOARD MEETING CHANGED

The meeting of the Mahoning Local School board has been changed from Thursday to Wednesday evening, May 23, at Sebring High School, it is announced.

High School Students Check This!

SALEM COLLEGE will give two free typing lessons or and Certified Speed Tests of one hour each to high school students on Monday and Thursday, June 7 and 10, from 9 A. M. to 9 P. M.

There will be no charge our obligation for these lessons. The object is to discover individual aptitudes, to encourage young people to learn typing, and to illustrate our individualized teaching methods. This project is wholly a professional community service for the youth of this area.

In order to perfect schedules, applications must be made in person, at Salem College, 1048 East State St., Salem, between 3 and 9 P. M., Monday or Thursday, May 17, 21, 28. This invitation is for all high school students in the Salem area.

Tours for the first steps in business.

Northfield Wins Second Straight District Class B Title

3 Records Set Despite Rain

Columbiana Finishes 4th, Leetonia 5th

By BOB McARTOR

Northfield Macedonia came up with a third place in the final event, the mile relay, to hold off Springfield Local, and win their second straight N.E.O. Class B District crown.

The meet was held at Reilly Field in a consistent drizzle of rain, but during the meet three new records were set.

Going into the final event Northfield led by a slight 1-3 of a point. They boosted their total to 46 1-3 while Springfield Local finished with 43 points. Rootstown came in third with 20 1-3 points, Columbiana was fourth with 20, and Leetonia scored 17 1/2 to round out the top five teams.

Roger Dietz of Rootstown, was selected as the most valuable athlete by the officials, and he received a trophy donated by Youngstown Sporting Goods. Dietz tallied 16 1-3 of his team's 20 1-3 points with firsts in the 120 yard, high hurdles and 180 yard low hurdles, and a tie for first in the high jump.

A NEW RECORD was also established in the opening event, the shot put, as Dane Heiser of Northfield Macedonia tossed the iron ball 51 feet 10 1/4 inches, to erase the old mark of 50 feet 7 inches which was set by Kelly of Poland in 1951. Don Greiner of Columbiana was second, Mike Jones of Garrettsville was third, Dick Drushall also of Northfield was fourth, and Jim Sevenich of Leetonia finished fifth.

Allen Stevens of Springfield Local, who qualified for the state meet in three events, won the pole vault with a jump of 11 feet. His team mate Dave Ohlin finished second and Chuck Pepple of Leetonia and Bill Bailey of Farmington tied for third.

The other new record, which was set during the rainy meet, came in the discus with Ken Scarborough of McDonald bettering the old mark of 165 feet 4 inches which he set last year, with a heave of 167 feet 1 inch. Earlier in the season he got off a throw of 176 feet. Don Greiner, Columbiana's weight specialist took second place in this event.

Roger Dietz of Rootstown, Tom Jenkins of Northfield and Carlton of Champion deadlocked at 5 feet 8 inches in the high jump to split the points at 4 1-3 each. Mendat of Northfield was fourth and Allen Stevens came in fifth.

Jack Rudge of McDonald walked off with first place in the broad jump with a leap of 19 feet 9 inches. Dane Heiser placed second for Northfield and John Bennett of Greenford took third. Randy Ballay of Columbiana placed fifth. The five field events were completed in the afternoon in a driving rain.

THE FIRST EVENT in the finals was the 120 yard high hurdles, which was won by Roger Dietz in the time of 16.1 seconds. Brownlee of Springfield was second, Garlock of Mecca third and Ripley of Twinsburg fourth.

Randy Bailey of Columbiana brought home the laurels in the 100 yard dash, turning in the time of 10.6. Ronnis Thomas of Twinsburg was second, Dave Withers of Springfield third and Drushall of Northfield fourth.

Allen Stevens and Harvey Tullis of Leetonia were expected to stage a hot duel in the mile run, but Stevens set a very strong pace and Tullis couldn't quite hang on enough to stay with him. The winning time was 4 minutes 49.3 seconds.

The Springfield Local half mile relay team of Withers, C. A. Y. Poole, Crawford and McCormick came out on top in that event in the time of 1:37.2. Braceville was second, Columbiana third and Brewster fourth. The first four relay teams qualify for the State Meet.

Reeling off the time of 54.6 in the 440 yard dash, Tom Jenkins of Northfield captured his second first place win of the day. He tied for first in the high jump and scored 1-3 of his team's points.

Northfield Macedonia and Springfield Local were tied up almost all the way after the mile run and at the end of the 440 Springfield led by 2-3 of a point. They pulled ahead by 1-2-3 points at the end of the 180 low hurdles.

In that event Roger Dietz sped over the course to set a new record in the time of 21.1, bettering the old mark by .1 of a second. The old record was posted in 1951 by Body of Braceville and was tied in 1954 by Wilcoxen of Marlboro. Brownlee of Springfield was second, Silver of Northfield third and John Murphy of Columbiana fourth.

Northfield's ace, Tom Jenkins, collected one of his wins in the half mile in 2 minutes and 10 seconds. Baker of Suffield was second, Allen Stevens third and Silver fourth. It might be noted that, while Northfield won five events, many valuable points came via second, third, fourth and fifth place.

points, which count heavily in a large meet.

Gordon Withers of Springfield actioned the 220 yard dash in 23.4. He was given a run for his money by Ronnie Thomas of Twinsburg, who finished second.

Leetonia's crack mile relay team of Albert Kornbau, John H. Roos, Chuck Nicholette, and Bob Peet easily won that event in 3:44.3. They won their heat by almost 40 yards. Mogadore, Bedford, McDonald, and Brewster finished behind Leetonia in that order.

Going into the final event Northfield was clinging to a 1-3 lead over the second place team Springfield and they gathered 3 points in the mile relay, but their challengers failed to place and Northfield Macedonia won the B meet for the second straight year.

Trophies were presented to the winners of the meet, the runners-up, to the winners of both relays and to the most valuable player, Roger Dietz. Sally Kirkbride and Gunhild Nyberg were in charge of distributing the awards. The first three places in all events merited gold, silver, and bronze medals and the fourth and fifth places ribbons. The members of the winning relay teams also received gold medals.

The qualifiers who finished in the top four places of every event including the relays will go to the Class B state meet at Columbus next week-end.

Salem Fourth In Canton Relays

Akron North Wins 7 Events, Captures Meet

Akron North swept 7 of 10 events last night in a continual, driving rain to walk off with the Canton Relays at Fawcett Stadium.

North scored 55 points and their closest competitor was Canton McKinley with 27 1/2. Ashland finished third with 15 and Salem was fourth scoring 14 1/2 points.

Salem's high jump team of Jack Alexander and Herb Haschen came in second in the high jump. In the field events two boys from each team compete and their distances or heights are added for the final total. Alexander had the highest jump in the meet going 5 feet 7 inches. Haschen cleared 4' 9" to give Salem 10' 4".

The Quakers spring relay team of Holzwart, Hepler, Haschen and Coppock came in third with a time of 47.1. Akron North won this event in 45.9.

The Salem medley relay team of Nick Costa, Bill Schuster, Gary Painchaud and Mark Fenton finished fourth in 10:34. The mile relay team came in third in 3:44.7. The team was in the slow heat and won it by a large margin, but probably could have done better if they had been in a faster heat.

The freshman relay was won by Canton McKinley in 1:44.6. Salem's team of Walter Good, Fred McNeel, Benny Jones, and Ralph Ehrhart was third in a mighty close race with 1:44.9.

The Quaker shot put and discuss teams of Alexander and John Buta and Walter Good and Fred Feigler placed fourth in their events. The final scoring is as follows:

Akron North - 55

Canton McKinley - 27 1/2

Ashland - 15

Salem - 14 1/2

Massillon - 10 1/2

Canton Lehman - 10

Canton Timken - 7 1/2

Louisville - 7

Canton Lincoln - 7

Alliance - 6

Dick Hoover, Steve Nagy Favored In 6th Masters

ROCHESTER, N.Y. (AP) — Dick Hoover of Akron, Ohio, and Steve Nagy of Detroit—a pair of former match game champions—were the favorites to win the sixth annual American Bowling Congress Masters Tournament today when the champion is crowned.

A new champion was

Santiago Sold, Indians Acquire Preston Ward

Tribe Sells Maglie, Benches Woodling

CLEVELAND (AP) — The Cleveland Indians today sold pitcher Jose Santiago to Baltimore and traded catcher Hank Foiles to Pittsburgh for first baseman Preston Ward.

The Santiago sale, a straight cash deal, cut the Cleveland roster to 28 players. Two more must be trimmed by midnight tonight as the Tribe is allowed 25 plus outfielder Stu Locklin, who still has another month on serviceman status.

Tuesday Cleveland sold pitcher Sal Maglie to Brooklyn and put outfielder Gene Woodling on the disabled list for 30 days.

The 39-year-old Maglie said he was "very happy" to go to Brooklyn, because he figured he'd get

New York-Indian Game Rained Out

By ED WILKS
The Associated Press

What's gotten into the Chicago White Sox? All of a sudden they're belting the ball like crazy in support of a pitching staff that takes its lumps but somehow has managed to fashion a five-game winning streak.

Before the Sox started the floss they lost seven of nine, and any talk of American League pennant contenders stopped with Cleveland, New York and Boston.

Then boom! The Sox began clubbing the ball to make up for some shaky pitching, and now that the sound staff looks to have found itself, the hitters are still at it.

In the five games, Chicago has collected 65 hits—an average of 13 a game—including nine doubles, three triples and seven home runs.

Tuesday night they poked 14 hits off four Washington pitchers and beat the Senators 5-1. Bob Keegan, in his first '56 start, pigeon-holed Nat hits. The only Washington run was unearned.

The victory pushed the Sox to within 1½ games of the AL lead, virtually held on a joint basis by Cleveland and New York, who were rained out Tuesday night. Baltimore clipped Kansas City 9-5 and Detroit battered Boston 6-3.

In the National, Brooklyn used four unearned runs for a fifth straight victory in a 7-5 decision over St. Louis. Philadelphia, behind ex-Cardinal Stu Miller, beat Milwaukee 3-1 to end a 10-game losing streak. And the New York Giants outlasted the Chicago Cubs 6-4. Cincinnati and Pittsburgh were rained out.

Bob Niemi hit his second homer to get the White Sox started on a two-run second against Chuck Stobbs, then singled to open the fourth as Chicago made it 3-0. An error and doubles by Sherm Lollar and Ron Jackson provided two unearned runs in the fifth for the Sox.

The Orioles scored three in the third and four in the fourth off Lou Kretlow and Ed Burtschy at Kansas City as Jim Wilson won his fourth.

Detroit ended a three-game slump by knocking Willard Nixon from the mound after eight hits scored five runs in 3 2-3 innings. Paul Foytack won his second, although needing help from Steve Gromek.

Rookie shortstop Don Blasberg contributed two errors and Pee Wee Reese unloaded a three-run homer as the Dodgers scored their four unearned markers in the fourth to hand Tom Poholsky his first loss. He had won three.

Gil Hodges homered in a three-run Brooklyn first, while Bill Virden delivered a three-run blow for the Cards. Reliever Clem Labine was the winner.

Milwaukee, in the NL lead by 36 percentage points over St. Louis and only a game ahead of third-place Brooklyn, got a run off Miller in the seventh at Philadelphia, but the little right-hander hung on to win his first complete game since Sept. 15, 1953. Lew Burdette gave only two hits for six innings, but a triple by Jim Greengrass tied it and Willie Jones' single put the Phils into the lead in a two-run seventh.

Willie Mays and Don Mueller each homered and collected three hits, for five RBIs between them, as Johnny Antonelli hung on to dump the Cubs into the cellar.

STRIDE IN THE RIGHT DIRECTION

Chisox Trounce Nats For Fifth Straight Win

By JOE MOOSHIL

CHICAGO (AP)—With "pick up guy" Bob Keegan regaining the pitching form that made him a big winner in 1954, Manager Marty Marion predicts his Chicago White Sox will take over first place before long.

"You can say Keegan is our pick up guy," said Marion Tuesday night after the White Sox had beaten Washington 5-1 for their fifth straight triumph. "He picked us up at Boston and you saw the kind of game he pitched tonight."

Marion was unusually cheerful as his White Sox continued their hitting binge and raked three Washington pitchers for 14 hits. "We'll be up there before long," Marion bubbled.

Aksed if that meant first place, Marion said:

"That's what we're playing for." (The Sox are in third place, 1½ games behind league leading Cleveland.)

Then, as if to change the subject, the White Sox skipper continued to rave about Keegan.

Although he was nicked for nine hits, Keegan was tough in the pinches and Washington's only run was unearned. That gave the big righthander a string of 21 2-3

innings this season without allowing an earned run.

Keegan's win over Washington was his second against no losses matching his victory total of 1953. He lost five.

The 33-year-old from Rochester, N. Y., is convinced he has regained the form which netted him a 16-9 record in 1954 when he was one of the American League's top hurlers.

With Keegan in form, Marion has finally solved the problem of a fourth starting pitcher. "Now I got to find a fifth starter," Marty cracked.

Marion said he didn't know who would pitch today against Washington. "It'll be Pollet (Howie) or Donovan (Dick)."

If Marion can get by with Pollet, it means he'll be able to go with Donovan, Billy Pierce and Jack Harshman in the three-game series against the New York Yankees beginning Thursday.

Marion and the Sox are still smarting from their double shutout loss to the Yankees on May 6.

Saxton 8-5 Favorite Over Turner Tonight

CHICAGO (AP)—Johnny Saxton, the newest welterweight boxing champion, rules an 8-5 choice tonight to smother the whirlwind style of Gil Turner in an 18-pound over-the-weight boxing bout.

The fight is at Chicago Stadium, scene of Saxton's loudly boozed lifting of Carmen Basilio's crown in March and Turner's surprising third-round knockout by weak-hitting Al Andrews in 1954.

Turner once was a terror in the welterweight bracket until Kid Gavilan stopped him in the 11th round of a 1954 title shot.

For the last several years, Turner has campaigned as a middleweight. In January he defeated Jackie LaBuia and then lost to Gene Fullmer a month later in his last start.

The 26-year-old Philadelphia fights in flurries, much like Gavilan, and has scored 33 knockouts while compiling a 30-10-1 record.

Saxton, also 26, is a clever boxer. His back-pedaling, shot-picking style against Basilio two months ago produced a highly controversial decision.

The Brooklyn cutie has one of boxing's best records, 50-3-2. He is credited with 20 kayoed.

ABC will telecast at 8 p.m. CST.

Inside Labor

By Victor Riesel

This article was prepared by associates of Victor Riesel in collaboration with him. Mr. Riesel, blinded by acid thrown by a criminal to still his voice and blunt his pen, will return to his syndicate desk upon recuperation.

There was a lot of money riding on the arm of the pro who pitched the acid in my eyes with a swift, practiced, underhand swing on April 5. Probably upwards of ten million dollars, in fact — embezzled, siphoned or just plain stolen from thousands of welfare and pension plans.

We don't yet know specifically who was behind the attack. But we are convinced that it came from the hoods who have horned their way into labor. And you'll find the "account executives" of this maniac mob brazenly bossing the operation wherever welfare and pension funds are being looted.

This is no penny-ante business. This big big-time — and big money — according to a Senate committee which has just finished a quick probe of the field and then folded

Columbiana Legion Post To Have Home Improvements

COLUMBIANA — Firestone American Legion Post decided at its meeting Monday evening to have aluminum awnings placed at all the windows of the post home and will receive bids on the entire job. A fire door will be installed in the basement and three more extinguishers provided in compliance with recommendations of Deputy State Fire Marshal Joseph Granonic of Mingo Junction, who recently inspected the Legion home.

Prizes for the annual street fair and homecoming Sept. 6, 7 and 8 this year will be a two-door Pontiac car, a refrigerator and a rotisserie. Nominations remain open for the election of officers at the next meeting Monday evening, May 28.

In the Columbiana County Junior American Legion Baseball league Columbiana will play its first game at Firestone Park, Sunday afternoon, June 3, with Lisbon as its opponent. Movies of the last Rose Bowl game will be shown at a fish fry Friday evening.

Dr. J. R. Garstick, essay contest chairman, will make awards to winners at Fairfield School next Monday morning.

MEMBERS OF THE Rotary Club dined at Dixon School, Monday evening and worked before and after dinner at beautifying the school grounds by planting more shrubbery and dressing last year's plantings under the direction of Earl Kirtley. Members will work at Leesville Lake again next Saturday at the project of providing a boat and swimming dock for the Boy Scout camp.

Next Monday evening, as chairman of a youth program, Jack Weyman will present Marilyn Schmidt, who will tell of the High School juniors' recent trip to Buhl planetarium and the airport in Pittsburgh.

Glen Broomall of Salem was a visiting Rotarian, Monday evening, and Fred Roth was a guest of D. W. Bailey.

Rev. Donald J. Voelm of Grace Evangelical and Reformed Church, speaker at the meeting of the Kiwanis Club at Heck's restaurant, Monday evening, dwelt on the importance of the youth program of the club and its work with youth.

Atty. Guy Mauro of Salem, past president of the Salem club and a candidate for the new judgeship of the Columbiana County common pleas court, was a visitor.

Columbiana Board of Education Monday evening approved the graduating class of 49 members for the annual commencement in the High School auditorium, Wednesday evening, May 23. The senior class day program will be presented in the school auditorium at 1 p.m. Friday.

A STYLE SHOW open to the public is scheduled for Fairfield School at 8 p.m. today. It is sponsored by Miss Ruth Deringer, the home economics teacher. Fairfield seniors' class day program will be presented Friday afternoon, and their school year will end next Monday.

Mr. and Mrs. Robert C. Stewart of Lower Elkton Road, RD 2, Leetonia, will observe their 25th wedding anniversary Thursday, May 31 when they will welcome all friends at an open reception at Valley Golf Club from 7 to 10 p.m. No invitations have been issued.

Mr. Stewart and Thelma D. Rollier were married June 1, 1931 at Lisbon. He is a member of York Drexler Post, Veterans of Foreign Wars, of Columbiana, and of the Leetonia Fraternal Order of

Intermediate Girl Scout Troop 1 will visit the William's Wild Game Farm at New Waterford Tuesday. The troop will leave at 4:30 p.m.

The proposed new kitchen and remodeling program will be discussed when the O.S.I. meets Saturday evening at 7.

At 8 p.m. an official initiation will be held with the degree team from Bellair officiating. They will be assisted by Alex DeGenova, grand venerable.

Following the initiation dancing will be enjoyed starting at 10 p.m. Lunch will be served.

Mrs. Martha Cope will be hostess to the Ladies Aid Society of St. Paul's Lutheran Church Thursday afternoon.

The Priscilla Club of St. Paul's Lutheran Church will meet Thursday evening with Mrs. W. G. Weikart as hostess.

Wayne Amos Awarded Graduate Assistantship

ALLIANCE — Three seniors at Mount Union College are the recipients of graduate assistantships for next year in the field of chemistry.

Wayne Amos of Hanoverton has received his appointment at Ohio University. Dale Block of Cleveland has been awarded his assistantship at Syracuse University, and James Woolf of Sebring, has received his assistantship at Purdue.

A member of Phi Kappa Tau fraternity, Amos is a 1951 graduate of Salem High School. He received the junior chemistry award at Mount Union as well as the chemistry alumni scholarship. He is active in Alembic, chemistry honorary, and the American Chemical Association.

Postmaster Is Confirmed

WASHINGTON — The Senate today confirmed the nomination for postmaster of Samuel W. Brown, East Liverpool, Ohio.

FIREWORKS BAN CITED

COLUMBIANA — A warning that a state law prohibiting fireworks will be strictly enforced by state and local law enforcement agencies during the July 4 holiday period was issued today by State Fire Marshal Charles R. Scott.

Top Winners Given In Scholarship Tests

COLUMBUS, Ohio (AP) — R. M. Eynan, state superintendent of public instruction today announced the names of 230 Ohio high school students who captured top honors in the final district-state scholarship test.

Approximately 17,000 students representing 760 high schools participated in the test conducted last May 5. The tests, covering 21 subjects, were administered on 19 college and university campuses.

Students scoring in the highest 10 per cent in each subject receive state certificates of recognition.

The students who scored the highest grades included:

James S. Russ, Jackson, Biology, William J. Mitchell, Troy, general science. Ralph L. Yaeger, Oxford, chemistry. Nancy Kay Gerber, Blue Creek, Paulding County; Kenneth E. Kloss, Loudonville; James S. Liljestrand, Middleburg Roosevelt; Susan Lynn Spencer, Tiffin Junior; Lynn S. Wright, Shelby, all algebra I. Gordon I. Stahl, North Canton, plane geometry.

Larry J. Huffman, Troy, American history. Hampton T. Davy, McDonald; Glenn Edwin Dawson, Jefferson, Muskingum County, both senior social studies. Michael S. Lottman, Middle Branch, English 10. Kay D. Mellenbrook, Ashland, English 12. James B. Eblin, Athens, Latin 1. Charles S. Williams, Mount Vernon, French 1. Janet M. Martin, Mid-dietown, French 2. Adele L. Ibold, Wyoming; Phyllis E. Ihle, Racine, Meigs County, both Spanish 1. Miriam A. Hawk, Rockford, Mercer County, bookkeeping 1.

Eight persons, including six business executives en route to a convention in Louisville, Ky., died Tuesday when the plane roared out of low-hanging clouds into a muddy field.

Witnesses said the twin-engine, 14- or 15-passenger Lockheed Venetia plunged to earth in a spin and exploded.

It was owned by the Crane Co. of Chicago. Two vice presidents of the firm, George Erwin Jr. and James A. Dwyer, were among the victims. The four other executives also were members of the Crane Co.

The pilot, Randolph Muhrer, radioed into Louisville's Standiford Field for landing clearance a few minutes before the crash. There was no indication then the craft was in trouble.

The Unity Class of the Methodist Church will meet this evening at the home of Mr. and Mrs. Earl Keyser at 8 p.m.

The Women's Society of Christian Service will meet at the home of Mrs. Waldo Hall Tuesday evening. Mrs. Rosa Cox and Mrs. Wilson Corra will be co-hostesses.

The American Legion Auxiliary will meet this evening in the Legion Hall.

The Intermediate Girl Scout Troop 1 will visit the William's Wild Game Farm at New Waterford Tuesday. The troop will leave at 4:30 p.m.

Col. Sprague who had investigated flood conditions in Leetonia, reported his findings to Congressman Wayne L. Hayes.

Col. Sprague said that under the law bridges are the responsibility of the state and county and not the federal government. However, he said, the corps of engineers can do a snagging and clearing job at the creek after the bridges have been raised and lengthened.

Following the initiation dancing will be enjoyed starting at 10 p.m. Lunch will be served.

Mrs. Martha Cope will be hostess to the Ladies Aid Society of St. Paul's Lutheran Church Thursday afternoon.

The Priscilla Club of St. Paul's Lutheran Church will meet Thursday evening with Mrs. W. G. Weikart as hostess.

URGES RAISING OF 3 BRIDGES NEAR LEETONIA

Two state highway bridges and a county bridge near Leetonia should be raised and lengthened to allow passage of float waters of the Cherry Valley Run, according to a report by Col. H. E. Sprague, district Army engineer from Pittsburgh.

Col. Sprague who had investigated flood conditions in Leetonia, reported his findings to Congressman Wayne L. Hayes.

Col. Sprague said that under the law bridges are the responsibility of the state and county and not the federal government. However, he said, the corps of engineers can do a snagging and clearing job at the creek after the bridges have been raised and lengthened.

Following the initiation dancing will be enjoyed starting at 10 p.m. Lunch will be served.

Mrs. Martha Cope will be hostess to the Ladies Aid Society of St. Paul's Lutheran Church Thursday afternoon.

The Priscilla Club of St. Paul's Lutheran Church will meet Thursday evening with Mrs. W. G. Weikart as hostess.

CHARDON GETS WATER

CHARDON, Ohio (UPI)—After a dry day, the 2,600 residents of this Geauga County seat had water again Tuesday night in time for supper. A pump was brought in from Cleveland to replace the one which broke down Tuesday morning causing schools and industries to declare a holiday.

Physical Education Conference Is Set

MCARTHUR, Ohio (AP)—A three-day teacher-education conference on physical education and outdoor education opened today at nearby Lake Hope State Park.

The conference is sponsored by the Ohio Departments of Education and Natural Resources and the American Assn. for Health, Physical Education and Recreation (AAHPER).

R. M. Eyman, superintendent of public instruction, said letters have been sent to several schools in Ohio inviting each to send a member of its teaching staff to the meeting.

Purpose of the conference is to promote an interest in establishing outdoor activities in health, physical education and recreation programs, Eyman said.

The AAHPER has been active in promoting education in the fields of hunting and shooting, casting and fishing and boating. Ohio's leadership training conference is the first to be conducted, Eyman said.

Paul E. Landis, supervisor of health and physical education, Department of Education, will serve as workshop director.

Barn On Rudy Marks Farm Razed By Fire

LISBON — A barn on the Rudy Marks farm, on Rt. 164, four miles

south of the village, was destroyed by fire Monday about 7 p.m.

Chief Thirl Flugan reported that Marks said he had some insurance, but not enough to cover the loss which included several pieces of farm machinery. The chief sus-

pcts spontaneous combustion was the cause of the blaze.

Firemen found the garage ablaze and the house roof smoking, but tapped a strip mine lake near the barn and saved both build-

ings.
